The Governance of China is a three-volume collection of speeches and writings by Xi Jinping, the General Secretary of the Communist Party of China and current paramount leader of China. Presenting the official party line for China's development in the 21st century, the collection is an authoritative source on Xi Jinping Thought and a literary successor to
Chairman Mao Zedong’s Quotations from Chairman Mao Tse-tung.

Xi Jinping: The Governance of China Compiled by the State Council Information Office of China, the CCCPC Party Literature Research Office and China International Publishing Group, Xi Jinping: The Governance of China is published by Foreign Languages Press in Chinese, English, French, Russian, Arabic, Spanish, Portuguese, German and Japanese, and distributed worldwide.

Xi Jinping grasps the power of the proverb: “A fish rots from the head down.” Leadership is the root cause of an organization’s failure. Xi Jinping’s “Governance of China” is sprinkled with an anti-corruption heading.

According to Business Insider, “China has investigated over 25,000 people for corruption in the first six months of 2014. Probes into major cases were up 14% year-over-year. 182,000 officials were punished by discipline inspection agencies in 2013, up 13.3% year-over-year.”
Xi made the remarks during a meeting of the Commission for Overall Law-based Governance of the CPC Central Committee on February 5, when China was battling the coronavirus pandemic. At that time, Xi called for greater legislative, law enforcement, judicial and law observance efforts to strengthen the country's law-based infection prevention and control measures.

Xi Jinping’s latest book, The Governance of China, is popping up in odd places. It was prominently displayed on Facebook-founder Mark Zuckerberg’s desk when he entertained China’s Internet czar Lu Wei in December 2014. As Zuckerman explained: “I’ve bought copies of this book for my colleagues as well. I want them to understand socialism with Chinese characteristics.”

As Xi Jinping’s first term ends and his second begins, it is a particularly opportune moment to evaluate the major changes he has wrought in Chinese politics. Prior to his assumption of power, conventional wisdom saw China’s leadership as increasingly institutionalized,
collective, and incrementalist.
